Oil & Wax burner warning

Burner without lid

How to use:

- Ensure the burner is placed on a flat, clutter free, and heat-resistant surface.
- Check that the area is open and has good air flow.
- Fill the dish with an appropriate amount of wax, do not overfill the dish. If using a fragrance oil, use 2 to 3 drops of oil diluted with water.
- Place one unscented tealight candle at the bottom of the burner and ensure the wick is standing.
- Light the candle with a long handled lighter.
- Check your burner periodically. Maintain an appropriate level of oil or wax in the dish and watch the burner for smoke. If your burner begins to smoke, extinguish the candle, clean your burner and start over with a new tealight.
- Extinguish the candle if you are going to be out of the room. Use a candle snuffer and do not blow out.
- Do not touch the oil, wax or holder until it has completely cooled.

How to clean:

- Allow burner to completely cool before cleaning.
- To remove wax, wait for wax to harden then carefully scoop out.
- Clean residue with warm, soapy water and dry.

⚠ Warning

- 1.Never put more wax or oil into your burner while the candle is still burning.
- 2.Extinguish the candle first to ensure your safety.
- 3.Do not overfill your burner. This may cause it to splash and catch on fire.
- 4.Do not place the burner in a location where it will be easily knocked over.
- 5.Keep away from flammable objects.
- 6.Never leave a burning candle unattended.
- 7.Keep your burner away from children and pets.
- 8.Keep your burner clean. Dispose of any unused wax or oil after you are finished using your burner.
- 9.Always read and follow the manufacturer's instructions on candles.
- 10.Do not allow hot wax or oil to come in contact with skin.

Burner with lid

How to use:

- Ensure the burner is placed on a flat, clutter free, and heat-resistant surface.
- Check that the area is open and has good air flow.
- Remove the lid and fill the dish with an appropriate amount of wax, do not overfill the dish. If using a fragrance oil, use 2 to 3 drops of oil diluted with water.
- Place one unscented tealight candle at the bottom of the burner and ensure the wick is standing.
- Light the candle with a long handled lighter.
- Remove the lid while the candle is burning.
- Check your burner periodically. Maintain an appropriate level of oil or wax in the dish, and watch the burner for smoke. If your burner begins to smoke, extinguish the candle, clean your burner and start over with a new tealight.
- Extinguish the candle if you are going to be out of the room. Use a candle snuffer and do not blow out.
- Do not touch the oil, wax or holder until it has completely cooled.

How to clean:

- Allow burner to completely cool before cleaning.
- To remove wax, wait for wax to harden then carefully scoop out.
- Clean residue with warm, soapy water and dry.

⚠ Warning:

- 1.Keep lid off while candle is burning.
- 2.Never put more wax or oil into your burner while the candle is still burning.
- 3.Extinguish the candle first to ensure your safety.
- 4.Do not overfill your burner. This may cause it to splash and catch on fire.
- 5.Do not place the burner in a location where it will be easily knocked over.
- 6.Keep away from flammable objects.
- 7.Never leave a burning candle unattended.
- 8.Keep your burner away from children and pets.
- 9.Keep your burner clean. Dispose of any unused wax or oil after you are finished using your burner.
- 10.Always read and follow the manufacturer's instructions on candles. Do not allow hot wax or oil to come in contact with skin.

Directions for Use

This product is designed for decorative purposes to create pleasing visual aesthetics for the customer as an addition to their desired interior surface. Whilst this product is compliant within GPSR regulations, it is imperative that the product is used appropriately to ensure customer safety. It is the customer's responsibility to source the correct protective measures for their intended surface. We at Something Different Wholesale take no responsibility for injury or product damages due to incorrect installation, usage or storage of decorative items.

This product is for decorative home fragrance product purposes and is not a toy. This item should be kept out of reach from children and pets as products may contain small parts. This information is readily available on the product packaging.

Home fragrance burners are supplied with guidance and instructions for use for product usage, care and maintenance.
