### **Packaging and Labelling**

Packaging and Labelling have been specifically designed for informative purposes with warnings, directives and instructions clearly marked. Packaging clearly states that items are for use for the intended market of those over 18+ who would be deemed responsible for the use of candles and the health and safety required around flames. Products are supplied with good fire safety advice for product use, with reflective pictograms.

- Remove all packaging before burning.
- Keep out of the reach of children and pets.

- Place on a flat, heat resistant surface away from draughts and flammable objects.
- Keep wick trimmed to 1 cm maximum to avoid excessive smoking.
  - Never leave a burning candle unattended.
  - If the flame becomes enlarged, do not continue burning.
  - Extinguish candle with a candle snuffer and do not blow out.
- The candle holder may become hot during use. Allow to cool before touching.
  - Do not attempt to move or touch when candles are lit.
