Solar System Gemstone Crystal Sphere Set

Barcode: 5056131156050

### **Product Description**

This gemstone sphere set features 9 gemstones that represent a planet from the solar system. Each gemstone is carefully selected and polished to resemble the size, colours and textures of the planets. Crystals in this set include howlite, red jasper, imperial jasper, picture jasper, red network jasper, tiger's eye, amazonite, lapis lazuli and hematite. Beautifully presented in a gift box with information about each planet's meaning inside. As each crystal is unique, stone shape and colour may vary from photos shown. Designed by Something Different Wholesale and part of the Solar System range of space themed gifts and planet accessories.

The product is manufactured in China
