Product Description

Used for centuries by Native Americans in purifying rituals and cleansing ceremonies, the distinct clean scent of white sage is believed to drive away any bad spirits. Dragon's blood, which originates from the bright red resin produced by different species of trees, is also used in the same way to create a protection barrier and eliminate negative energies. This White Sage & Dragon's Blood Native Soul Incense has been blended perfectly together to create a calming atmosphere whilst restoring balance to the mind and soul. The incense is beautifully packaged within a sliding box decorated with a Native American print on the outside and finished with a delicate feather on the inside. Each outer box contains 12 individual boxes of incense.
